

Pre-Exit Positioning

A Top7 CMO Service • PROJECT

A sharpened growth story and supporting materials built ahead of a raise or sale. You walk into investor or buyer conversations with a narrative that holds up under scrutiny.

HOW IT WORKS

1. Assess current growth narrative
2. Rebuild the story around key metrics
3. Prepare investor/buyer-facing materials
4. Support the raise or sale process

VALUE TO YOU

- A growth story that holds up under scrutiny
 - Materials that support a stronger valuation
 - Less founder time spent building decks
