

Vendor & Third-Party Risk

A Top7 CISO Service • **FRACTIONAL**

Ongoing oversight of the security risk your vendors and partners introduce, from onboarding through renewal. You reduce exposure to one of the most common sources of breaches.

HOW IT WORKS

1. Inventory & tier vendors
2. Assess risk by tier
3. Review contract language
4. Monitor & remediate

VALUE TO YOU

- Reduced third-party breach exposure
- Compliance-ready documentation
- A defensible process if a vendor fails

Let's talk about your security program. info@top7llc.com | www.top7llc.com
