

Engineering Team Build-Out

A Top7 CTO/CIO Service • **PROJECT**

Hiring, structure, and leadership for a growing engineering organization, built by someone who has scaled teams before. You get a team structured to actually ship, not just headcount.

HOW IT WORKS

1. Assess current team & gaps
2. Design the org structure
3. Support hiring & onboarding
4. Establish engineering practices

VALUE TO YOU

- A team structured to actually ship
 - Faster, better-quality hiring decisions
 - Practices that scale with headcount
