

Incident Response & Tabletop Exercises

A Top7 CISO Service • **FRACTIONAL**

A tested response plan and a bench ready to move, rehearsed through regular tabletop exercises before you ever need it. You respond faster and calmer because the team has already practiced.

HOW IT WORKS

1. Build/update the IR plan
2. Pre-coordinate forensics, legal, PR
3. Run a tabletop exercise
4. Debrief & refine

VALUE TO YOU

- Faster, calmer response when it counts
 - Proof of preparedness for insurers & customers
 - A living plan, not a shelf document
