

KPI/OKR System Implementation

A Top7 COO Service • **FRACTIONAL**

A metrics framework that keeps every team aligned on what actually matters, with a regular cadence of review. You get visibility into what's on track — and what isn't — before it becomes a crisis.

HOW IT WORKS

1. Define company & team-level metrics
2. Build the OKR/KPI framework
3. Implement tracking & reporting
4. Review cadence with leadership

VALUE TO YOU

- Alignment across teams on what matters
 - Visibility into what's on track (or not)
 - A rhythm of accountability
